

## 'Reinventing Philosophy as a Way of Life' 'A Monash-Warwick ARC Discovery Workshop'

**July 3-4 2014**

This is the first of a series of workshops based on the Australian Research Council Discovery grant, 'Reinventing Philosophy as a Way of Life'. The Discovery project investigates early modern and modern reinventions of the idea of philosophy as a 'way of life'. In this workshop our speakers will investigate the salience and formative role of this ancient model of philosophy in the work of Spinoza, Kierkegaard, Nietzsche, Camus and Deleuze.

**\* Professor Keith Ansell-Pearson**

(Warwick), Deleuze, Naturalism and the Art of Life

**\* Dr. Aurelia Armstrong**

(University of Queensland), Spinoza's Art of Living

**\* Dr. Alexandre Lefebvre**
