

Deakin Early Careers Academic Futures (DECAF) Research Peer Mentoring Program

August 2020 - November 2020

The DECAF Research Peer Mentoring Program helps academics and researchers at different stages of their careers to discover new career perspectives, connect with relevant people and networks, and enhance their sense of achievement.

Benefits for mentees

- Strategic research planning
- Gaining a broader perspective on career opportunities and approaches
- Sharing of knowledge, skills and experience
- Developing research networks and collaborations
- Boosted confidence and realised potential

Benefits for mentors

- A leadership opportunity
- Developing mentoring/coaching skills
- Sharing of knowledge, skills and experience
- Enhancing research networks and collaborations
- Boosted personal fulfilment

Program Aims

The Program meets the aims of Deakin's LIVE Agenda- Grow research capacity, depth and breadth (Ideas) and Staff engagement and satisfaction (Experience). Participants will be acknowledged for their involvement in a program of strategic significance while on a journey of a shared discovery.

Details

Available to ongoing academic and research staff from the Faculties of Health, Arts and Education and SEBE.

Applications open on
15 July and close on 29 July.
